1. As you know, just prior to the receipt of the referenced memorandum yesterday, Gates Lloyd and I discussed with [REDACTED] the Inspector General's suggestion that there be appointed an Administrative Officer for the Office of the Deputy Director (Plans). We, too, believe that there is considerable merit in this suggestion, and I left Dick some penciled notes as to the possible duties of the individual occupying such a position.

2. We are prepared to discuss the matter further at your convenience.
